of the Lower Mekong Basin (Khmer Republic,
Laos, Thailand and the Republic of Viet-Nam)

LOWER MEKONG BASIN PROJECT
MASTER LIST OF ENGINEERING STUDIES

Information Note by the Secretariat

LOWER MEKONG BASIN PROJECT

MASTER LIST OF ENGINEERING STUDIES

Table of Contents

		Page
A.	Basin-wide Studies and Reports	1
B.	Battambang Plain Development	7
C.	Delta Development Programme	7
D.	Eak Mat Irrigation Project	11
E.	Floods and Flood Forecasting	11
F.	Power Demand Studies and Transmission Systems	12
G.	Lam Pao Irrigation Project	13
H.	Mathematical Model of Mekong Delta	13
I.	Mun and Chi Basin Studies	14
J.	My Thuan Bridge	15
K.	Nam Chern Hydroelectric Power Project	15
L.	Nam Gam (Nam Pung) Project	15
M.	Nam Mae Kok Project	16
N.	Nam Mun Hydroelectric Power Project	16
O.	Nam Ngum Multi-purpose Tributary Project	17
P.	Nam Phrom Hydroelectric Power Project	18
Q.	Nam Pong Multi-purpose Tributary Project	18
R.	Nong Khai/Vientiane Bridge	19
S.	Pa Mong Multi-purpose Mainstream Project	19
T.	Mainstream Transport, Thailand and Laos	22
U.	Prek Thnot Multi-purpose Tributary Project	22
V.	Sambor Multi-purpose Mainstream Project	23
W.	The Great Lake Tributaries	24
X.	Stung Treng Multi-purpose Mainstream Project	24
Y.	Tonle Sap Barrage Project	24
Z.	Upper Se San Basin Tributary Studies	25
AA.	Upper Sre Pok Basin Tributary Studies	25
AB.	Vientiane Plain Development	26
AC.	Non-Mekong, but Related Project Reports	26

LOWER MEKONG BASIN PROJECT

MASTER LIST OF ENGINEERING STUDIES[1/]

10 January 1974

A. Basin-wide Studies and Reports

1. Development of Water Resources in the Lower Mekong Basin, Flood Control Series No.12; E/CN.11/457, ECAFE, October 1957.

2. Lower Mekong Basin Reconnaissance Report, 1956.

3. Report of United Nations Survey Mission, 23 January 1958, TAA/AFE/3.

4. Major Tributaries of Lower Mekong Basin: Comprehensive Reconnaissance Report of 1961 by the Japanese Team.

5. Harza Engineering Co. Reports:

   a. Lower Mekong River Basin Discharge Data, prior to 1960
   b. 1960 Hydrologic Data, Mekong River Basin, Cambodia
   c. " " " " " " Laos
   d. " " " " " " Thailand
   d.1. " " " " " " Viet-Nam
   e. 1961 " " " " " Cambodia
   f. " " " " " " Laos
   g. " " " " " " Thailand
   g.1. " " " " " " Viet-Nam
   h. Ground Control Surveys, Lower Mekong River Project, March 1962
   i. Hydrographic Surveys. Lower Mekong River Project, July 1962
   j. Final Report, Lower Mekong River Project, July 1962.

6. Mekong Hydrologic Yearbooks:

   a. 1962 (Hydrometeorologic Office)
   b. 1963 " "
   c. 1964 " "
   d. 1965 " "
   e. 1966, vols, I and II (Hydrometeorologic Office)
   f. 1967, " " " " "
   g. 1968, " " "
   h. 1969, " " "

/i.

1/ Copies of all these studies are on file in the Engineering Division of the Mekong Secretariat.

i. 1970, vols, I and II (Hydrometeorologic Office)

j. 1971,

7. Economic & Social Aspects of Lower Mekong Development. A report by G. White, et al. Ford Foundation, July 1962.

8. Survey of Four Tributaries in the Lower Mekong Basin, ECAFE/UN,1969.

9. Systems Analysis in the Lower Mekong Basin:

   a. Report on Computer Application to System Analysis, July 1963, by D.J. Lewis and M.L. Nelson.

   b. Progress Report on Computer Application to System Analysis, October 1964, by M.L. Nelson and D.M. Rockwood.

   c. Final Report on Training, Mekong System Analysis Project, February 1968, U.S. Corps of Engineers.

   d. Program Description and Operating Instruction "Streamflow Synthesis and Reservoir Regulation", January 1964.

   e. Mekong Power Alternatives, June 1969, Thesis by Pala Sookawesh.

   f. Mekong Computer Reference Manual and Programmed Instruction List, May 1971.

   g. Computer Application to System Analysis: Lower Mekong River, U.S. Army Engineers, North Pacific Division, August 1967.

   h. Program Description and Users Manual for SSARR Model (Streamflow Synthesis and Reservoir Regulation), U.S. Corps of Engineers, September 1972.

10. Report of the Study of Possibility of Producing Nitrogenous Fertilizers by Means of Electric Power from the Mekong Basin, by M. Marang for Mekong Committee, 1966 (WRD/MKG/INF/L. 189).

11. The Production of Calcium Carbide, Fertilizers, Chemicals, Plastics and other Products Based on Cheap Electricity: A Feasibility Study, by Dr. S.A. Miller for Mekong Committee, March 1967 (WRD/MKG/INF/L. 237).

12. Resources Atlas of the Lower Mekong Basin, with two-volume Bibliography, 1968.

13. Review of Mekong Committee's Request for UNDP Assistance in Establishment of a Basinwide Flood Forecasting System. UNDP, March 1969.

14. Indicative Basin Plan: A Mekong Secretariat Working Paper, Draft, September 1970.

/15.

15. Inventory of Promising Tributary Projects in the Lower Mekong Basin: A Mekong Secretariat Working Paper, Draft

    a. Volume I - Khmer Republic and Viet-Nam, November 1971

    b. Volume II - Laos, December 1970.

16. Probable Maximum Precipitation in the Mekong Basin, May 1970 - U.S. Corps of Engineers.

17. IBRD (World Bank) Reports:

    a. Sir Alexander Gibb - Pa Mong, Stung Treng and Main Stem Fundamental Considerations, December 1970.

    b. Acres International - Pa Mong Operational Studies - Interim and Supplemental, June 1970 and January 1971.

    c. IBRD Staff - Lower Mekong Basin Studies, Working Papers 2, 3 and 4 (System Analysis) June 1971.

    d. Agricultural Development in the Mekong Basin, A Staff Study by Resources for the Future, January 1971.

    e. A Review of the Lower Mekong Basin Development: Problems and Policies, 15 Feb. 72, Special Projects Dept. Report PS-8a.

    f. A Review of Land and Water Resource Development in the Lower Mekong Basin, 28 Feb. 1972, Special Projects Dept. Report PS-9.

    g. Detailed Preparation of a Programme of Pioneer Agricultural Projects (UNDP RLG 25-3), Prog. Report No. 2, 26 July 1972.

    h. A Study of Alternatives for Multipurpose Development at Sambor, Sir A. Gibb for IBRD, Sept. 1972.

    i. Pa Mong Project Review - 1972, Sir Alexander Gibb for IBRD, Sept. 72.

    j. A Preliminary Assessment of Pa Mong Project with the Reservoir Level at el. 230 m, Sir A. Gibb for IBRD, Sept. 1972.

    k. Nam Ngum Project: Evaluation Study of Phase II, May 1973.

18. Potential Growth of Aquatic Plants in the Lower Mekong Basin, February 1970, U.S. Corps of Engineers.

19. Potential for Potash and Related Mineral Resources, Khorat Plateau of Northeast Thailand and Central Laos, July 1971, R.J. Hite - USGS (2 vols.).

20. Proposed Geohydrologic Investigations in the Khorat Plateau of the Lower Mekong River Basin, December 1970, D.A. Phoenix - USGS.

21. Annotated Bibliography of Reports on Groundwater in the Lower Mekong Basin, September 1971, Mekong Secretariat.

22. National Resources Survey: Guidance Manual. ARPA-ASRC/T-MARI, Nov. 71.

23. Mekong Committee Seminar, Training Course, and Sub-Committee Reports:

a. First Agricultural Sub-Committee Session, Bangkok, 30-31 Aug.71

b. First Regional Engineering Seminar, Nam Pong and Nam Pung Damsites, 25 Nov. - 3 Dec. 1964.

c. Proceedings du Séminaire d'Hydrologic Pratique, Vientiane, 22 Aug. - 5 Sept. 1965.

d. Second Regional Engineering Seminar on Hydrology, Vientiane, 20-25 November 1967.

e. Third Engineering Seminar, Vientiane, 16-23 November 1969.

f. Training Course on the Moving Boat Method of Measuring Stream Flow, Vientiane, 1-8 June 1969.

g. Training Course on Hydrologic Data Processing, Bangkok, 7-14 June 1970.

h. First Seminar on Navigation Improvement, Saigon and Phnom Penh, 19-29 October 1964.

i. Second Navigation Improvement Seminar, Savannakhet and Vientiane, 2-7 May 1965.

j. Third Seminar on Navigation Improvement, Nong Khai/Vientiane/ Bangkok, 15-20 May 1966.

k. Fourth Regional Seminar on Navigation, Bangkok, 1-5 July 1968.

l. First Seminar on Economic and Social Studies, Bangkok, 4-11 July 1965.

m. Seminar on Legal and Administrative Aspects of Mekong Development, Bangkok, 25-29 August 1969.

n. Seminar on the Draft Amplified Basin Plan, Bangkok, 9-16 November 1970.

o. Preparatory Meeting for the Seminar on Rural Development, Bangkok, 18-22 November 1971.

p. Proceedings and Papers: Training Course for the Collection and Analysis of Sediment, Salinity, and Water Samples, Saigon, 20-29 July 1971.

24. Report on Indicative Basin Plan: A Proposed Framework for the Development of Water and Related Resources of the Lower Mekong Basin, Mekong Secretariat, 1970.

25. U.S. Corps of Engineers: User Manual for COSSARR Model, Portland, Oregon, January 1972.

26. Survey and Study for Potable Water Project (11 Cities in Viet-Nam) - Lyon Associates for USAID, 26 November 1971.

27. Remote Sensing of Earth Resources (in French), Conferences, C.N.E.S. Paris, 26-27 October 1971.

28. Engineering Measures for Control of Schistosomiasis, by Frederick W. McJunkin, for A.I.D. 1970.

29. International Co-operation for Development: The Mekong Project, by Louis A. Cohen, American Geographical Society - FOCUS, Vol. XXII, No. 10, June 1972. Also chapter II of FOCUS on Southeast Asia, Praeger, 1972.

30. The Mekong Project 1972, Siam Publications, Ltd., Bangkok, 1972.

31. Planning Implementation and Managing Development in the Lower Mekong Basin - A Multi-paradigm Approach, by Mel Horwitch, Havard Business School, May 1972.

32. Geology of Laos, Cambodia, South Viet-Nam and Eastern Thailand - A Review, by D.M. Workman, Institute of Geological Sciences, London, 1972.

33. ADB Reports:

a. Recent Developments Relating to Lower Mekong Basin Activities, R 87-71, 26 August 1971 (Confidential).

b. Discussion Meetings on IBRD Review Reports on Mekong Basin Development, IN.31-72 (Confidential).

34. Report of the ECAFE/UNIDO Iron and Steel Industry Survey of the Lower Mekong Basin, ATDC (7)/3, 10 August 1971.

35. Geology of Laos, Cambodia, Viet-Nam and the Eastern Part of Thailand - A Review, by D.M. Workman for Institute of Geological Sciences, London, 1972.

36. A Study of Requirements for Information Storage and Retrieval of the Secretariat, 5 vols., U Kent Research, Ltd., August 1972.

37. Fish and the Mekong Project, Information Note by the Secretariat, CMB/MRG/INF/L. 504, September 1972.

38. Current Status of Planning for Construction of Mainstream and Tributary Projects, by Louis A. Cohen for SEAMAG, January 1972.

39. Priorities in the Field of Economic and Social Studies for Lower Mekong Basin Development Planning, NEI, July 1972.

40. The Mekong Project: Opportunities and Problems of Regionalism, by F.P. Huddle, Library of Congress for U.S. House of Representatives Committee on Foreign Affairs, U.S. Government Printing Office, May 1972.

41. Kinds and Intensities of Soil Surveys, by Glenn H. Robinson and Suraphol Charoenphong, Soil Survey Division of Thai Department of Land Development and FAO, Report SSH-91, Bangkok 1972.

42. Classification and Evaluation of Soils for Wetland Rice, by Glenn H. Robinson and Forest Steele, Soil Survey Division of Thai Department of Land Development and FAO, Report SSD-92, Bangkok, 1972.

43. Ecology & the Mekong Project, UNDP/MKG/INF/L.543, December 1972, Information Note by the Secretariat

44. Public Health & the Mekong Project, UNDP/MKG/INF/L.544, December 1972, Information Note by the Secretariat

45. Some Legal Aspects of the Committee for Coordination of the Lower Mekong Basin, by P.K. Menon, 1972.

46. Effects of Proposed Irrigation on Water Quality & Return Flows: Khorat Plateau in Thailand & Laos, Anderson & Kelly, Boise, Idaho, February 1973.

47. Inventory of Promising Tributary Projects in the Lower Mekong Basin, Mekong Secretariat Working Paper (First Draft)

a. Vol. I - Khmer Republic & Viet-Nam, UNDP/MKG/INF/L.472, Oct.1971

b. Vol. II - Laos, UNDP/MKG/INF/L.408 (Rev.1), December 1970

48. Fishermen of the Middle Mekong, Thomas R. Fraser, Jr. SEADAG, NY, October 1973.

49. Some Environmental Considerations for the Mekong Basin Project, Edited by David Challinor of the Smithsonian Institution, SEADAG, April 1973.

50. Mineral Resources of the Lower Mekong Basin & Adjacent Areas of Khmer Republic, Laos, Thailand and Republic of Viet-Nam. Mineral Resources Development Series, No.39. ECAFE, Nov. 1972.

51. Experimental & Representative Basin: Huai Sung River, Thailand. Mekong Hydrology Section, November 1973.

52. Ecology and Resources Development in Southeast Asia, G. Conway & J. Romm, Ford Foundation, August 1973.

53. Geohydrology of the Lower Mekong, W.C. Rasmussen, Saigon 1966.

54. Design of Water Resources Systems in Developing Countries: The Lower Mekong Basin, by Kanchit Chaemsaithong, Ph.D. dissertation publ. as Technical Report No. 19, Natural Resource Systems, University of Arizona, Tucson, Ariz. June 1973.

/B.

B. Battambang Plain Development

1. Final Report on Battambang Plain Development Project by SOGREAH, April 1964.

2. Battambang Project Interim Report, Electro-Watt/Motor-Columbus, March 1970.

C. Delta Development Programme

1. Toward the Economic Development of the Republic of Viet-Nam: ST/TAO/M/VN/1, United Nations, 1959.

2. Appraisal Report, Development and Resources Corp., May 1969.

3. Mineral Resources and Geological Activities in South Viet-Nam - JDC Working Paper No. 8, February 1968.

4. Program for Mekong Delta Studies (October 1967, March 1968, October 1968, May 1969), by Development and Resources Corporation - (System Analysis).

5. Agricultural Production Capability: A Preliminary Analysis of the Production Base - D & R Corp., October 1969.

6. Kien Hoa Project Master Plan - PAU International, 1969.

7. Labour, Employment and Skills in the Republic of Viet-Nam - Development and Resources Corp., October 1969.

8. An Giang Development Proposal, U.S. Corps of Engineers, March 1969.

9. Export Prospects for Viet-Nam, 2 vols - Development and Resources Corps., December 1969.

10. Surface Water Hydrometric Program in Viet-Nam - Working Paper No. 4 by Development and Resources Corp., January 1970.

11. Diking Requirements for the Cai San Pioneer Agricultural Project Area, August 1971, Mekong Secretariat.

12. Report on the Go Cong Project, September 1971, DIAL/MOK.

13. Proposal for a Resettlement Programme, Part I - JDC Working Paper No. 10, October 1967.

14. Land Reform: Viet-Nam. Production of Cadastral Maps, September 1971, U.S. Army Engineer Agency for Resources Inventories and Agency for International Development.

15. Program for Analysis of Mekong River Hydraulics with Particular Reference to the Delta - JDG Working Paper No. 20, March 1968.

16. Report of the Mission on the Working-Programme of the Netherlands' Delta Development Team in the Mekong Secretariat. The Hague, November 1971.

17. Swine Raising Development Programme in Viet-Nam - JDG Working Paper No. 20, April 1968.

18. My Thanh Barrage Project Design Report, 5 volumes - Nippon Koei Co., Ltd. July 1971

    a. Design Report

    b. Design Drawings

    c. General Contract

    d. Contract for Accessories

    e. Cost Estimate.

19. Present Situation and Possibilities of Postwar Development of Inland-Fisheries in the Mekong Delta - JDG Working Paper No.42, November 1968.

20. A Note on the Cai San Project, DIRD, January 1971.

21. Development of Corn Planting in Viet-Nam - JDG Working Paper No. 49, 1968.

22. Go Cong Water Control Project, 5 volumes, ADC-Korea, June 1971.

23. Go Cong Water Control Project, Hoa Dong Pilot Project, ADC-Korea, August 1971.

24. Development of Duck Raising in Viet-Nam, by Le-Thuoc, DVM - JDG Working Paper No. 50, October 1968.

25. Prospects for Fruit Crop Production in the Mekong Delta, by Phan Van Tuy - JDG Working Paper No. 54, April 1969.

26. Mission de M. Remillieux au Viet-Nam, 20-27 Avril 1972 (Vam Nao Pass Navigation Improvement), Electricité de France,1972.

27. Proposed Programme for Determination of Salinity Movement in the Lower Mekong Basin, J.J. Schneider, USGS, June 1971.

28. Report on Water Pump Distribution, D&R/JDG Working Paper No.13, September 1967.

29. A Description of Ocean Fish Marketing in Saigon, D&R/JDG Working Paper No. 24, May-June 1968.

/30.

30. Summary of the Tiep Nhut Project, DIRD, January 1971.

31. Technical Assistance to the Republic of Viet-Nam for the Go Cong Pioneer Agriculture Project (Restricted), Asian Development Bank, 3 August 1972.

32. Interim Proposal for Rehabilitation and Enlargement of Hydrological Data Collection System, Republic of Viet-Nam; by Viet-Nam Engineering and Construction Co. (VECCO), November 1971.

33. A Quantitative Analysis of the Impact of Precipitation and Flood Pattern on Paddy Production in the Mekong Delta; Working Paper I, by the Netherlands Delta Team, December 1971.

34. Draft Interim Report: Mekong Delta Development, Netherlands Delta Team, Bangkok, September 1972.

35. Evaporation and Rainfall Analysis for Agricultural Purposes; Working Paper II, Netherlands Delta Team, October 1972.

36. Demand for Agricultural Products, 1970-2000 - Khmer Republic and Viet-Nam; Working Paper III, Netherlands Delta Team, Sept.1972.

37. Methods and Programme Work on Mekong Delta Development Planning, An Interim Report by the Netherlands Delta Team - Mekong Secretariat Note WRD/MKG/INF/L. 539, 23 November 1972.

38. The Postwar Development of the Republic of Viet-Nam: Policies & Programs, Summary. Joint Development Group, March 1969.

39. Technical Note #1: Water Levels in Mekong Delta River Branches; Netherlands Delta Team, November 1972.

40. Technical Note #3; Frequencies of Flooding in the Mekong Delta; Netherlands Delta Team, December 1972.

41. Summary of the General Hydrology of the Mekong Delta, Donald A. Burns, U.S. Naval Oceanographic Office, June 1967, IR No.67-46.

42. Go Cong Pioneer Agricultural Project: Feasibility Study, ADC for ADB (2 vols.), May 1973.

43. Technical Note #2: River Discharges Mekong Delta in the Dry Season; Netherlands Delta Team, October 1972.

44. Technical Note #4: Contour Map of Mekong Delta; Netherlands Delta Team, February 1973.

45. Technical Note #5: Schematic Layouts for Irrigation & Drainage Systems in the Mekong Delta; Netherlands Delta Team, Feb. 1973.

46. Technical Note #9: Water Quality in the Mekong Delta (for Agricultural purposes); Netherlands Delta Team, May 1973.

/47.

47. Technical Note #10: Inventory of Land Resources, Part I Mekong Delta, South Vietnam; Netherlands Delta Team, May 1973.

48. Technical Note #15: Soil Fertility; Netherlands Delta Team, June 1973.

49. Final Report: Delta Hydrologic Campaign, Phase II; VECCO for NCH, 1973.

50. Technical Note #20: Groundwater Resources in the Mekong Delta, Netherlands Delta Team, September 1973.

51. Final Report of an Engineering Study of the Primary Canal System of South Vietnam, with a Preliminary Report on a Reconnaissance of the Saigon Ship Channel. DMJM for USAID, December 1960.

52. Workshop on Irrigation: Collected Papers, DIRE, Saigon, 17-18 September 1973.

53. South Viet-Nam: Navigation Canals, Bank Protection. Ir. A. Zanen, September 1973.

54. The Development of the Plain of Reeds: Some Politico-military Implications, by V.J. Croizat, The Rand Corporation, Santa Monica, Calif. - October 1969.

55. Pre-feasibility Study of the North Phnom Penh Polder Project, WRD/MKG/INF/L.569, rev. 1, Mekong Secretariat, May 1973.

56. Effects on the Great Lake of Dredging at Snoctrou, MKG/8, Mekong Secretariat, September 1973.

57. Presentation of some projects suitable for early implementation, Netherlands Delta Team, September 1973.

58. Potable Water Supply in the Delta of South Vietnam. Directorate of Water Supply. 1967.

59. Flood Control in the Mekong Delta with Particular Reference to Viet-Nam: Improvement of Drainage and Protection Against Salt Water, G.P. Jamme, UN/NY 1959.

60. Review of the Groundwater Potentialitics of South Vietnam, with Special Reference to the Delta, W.C. Rasmussen, USAID/Vietnam, 1966.

61. Technical Report #16 - Present & optainable rice yields under different degrees of water control & non-factor inputs. Netherlands Delta Team, November 1973.

62. Technical Report #19 - Social & institutional aspects of agricultural development, Netherlands Delta Team, November 1973.

/D.

D. Bak Mat Irrigation Project

1. Design Report, April 1966, Nippon Koei.
2. Drawings, April 1966, Nippon Koei.
3. Conditions of Contract, April 1966, Nippon Koei.
4. Report on the Bak Mat Project, September 1971, DIRE/ROC.
5. General Planning for Irrigation Experiment in Bak Mat, by Lo An-hua, July 1971.

E. Floods and Flood Forecasting

1. Proposed Implementation of a Basinwide Flood Forecasting System for the Lower Mekong Basin, December 1969, Report of the Expert Group.
2. Evaluation Report for 1970 Flood Season, December 1970, Mekong Secretariat.
3. Evaluation Report for 1971 Flood Season, December 1971, Mekong Secretariat.
4. Geographical Study of Flood Immediately Downstream from Pa Mong in the Mekong River, December 1966, Masahiko Oya.
5. Field Survey Report of Vientiane/Sri Chiangmai Flood Plain and Overbank Spilling Conditions during Peak Flood, 1971, Mekong Secretariat.
6. 1971 Flood Data, October 1971, USAID/Laos.
7. Further Data on the 1971 Flood Around Vientiane and Nong Khai, December 1971, Mekong Secretariat.
8. Mekong Basin-wide Flood Forecasting, 17 December 1971, Mekong Secretariat.
9. Mekong Basin-wide Flood Forecasting, 1972, 18 August 1972, Mekong Secretariat.
10. Study of the Effects of Flood Control Dikes on the Hydraulics of the Mekong Adjacent to and Downstream of Vientiane, Laos. Research Report by A.I.T. for the Mekong Committee, May 1970.
11. Assessment of 1966 Peak Discharge of the Mekong at Vientiane, by Thaipuck Thammongkol, 1972.
12. Basin-wide Flood Forecasting System for the Lower Mekong Basin, by Surin Sangsnit.

/13.

13. Effects of Dikes on Flood Flows of the Mekong River near Vientiane, AIT Research Report No. 21, Bangkok, May 1972.

14. Mathematical Model of Mekong River near Vientiane and Nong Khai, by Subin Pinkayan, et al, 1972 (AIT).

15. Hydraulic Modelling of Unsteady Flows of the Mekong River, by Prida Thimakorn, et al, 1972 (AIT).

16. Evaluation of 1972 Flood Forecasting Operation, January 1973, Mekong Secretariat

17. Effects of Flood Control Dikes on the Hydraulics of the Mekong River, AIT Research Report No. 30, February 1973.

18. Experimental & Representative Basin: Huai Suai River, Thailand, NEA Hydrology Section, November 1973.

F. Power Demand Studies and Transmission Systems

1. Survey of Electric Power Market for Domestic, Commercial and Industrial Users in the Lower Mekong Basin, 1963/65, SOFRELEC.

   a. Thailand, Vols. I and II

   b. Cambodia (System Analysis)

   c. Laos

   d. Viet-Nam.

2. Thailand Electric Power Load Forecast, 1970-1990, 1969, CH^2M.

3. Thailand Electric Power Study, 1966, Moulton, et al.

4. Extra-High Tension Mekong Grid: Preliminary Report by SOFRELEC, 1970.

5. Power Market Survey in Saigon and Vicinity, 2 vols. Nov. 1966, EOV.

6. NEA Report on Project Planning in Increasing of Generation and Transmission Capability in the Northeastern Region between 1968 and 1972.

7. Hydro-electric Resources and Power Development in Thailand, L.A. Endersbee Final Report, December 1964.

8. Glossary of Important Power and Rate Terms, Abbreviations and Units of Measurement, 1965, U.S.A. Federal Power Commission.

9. National Power Survey of the Republic of Viet-Nam, Detroit Edison Co. for USAID, February 1972.

/10.

10. Electric Power in Thailand, Year 1970, NEA, Bangkok 1972.

11. Planning Report on the Electrification of the Tan An-My Tho Area - EOV Planning Department, August 1965.

12. Electric Power: Sector Working Paper. IBRD, December 1971.

13. Economic Choice Between Hydroelectric and Thermal Power Developments by Herman G. van der Tak, IBRD Staff Occasional Papers No. One. IBRD/John Hopkins Press, 1966.

14. Pre-project Appraisal Report: EGAT 1981 Nuclear Power Project. Taiwan Power Co. for EGAT, July 1973.

15. Electric Power in Thailand, 1971-72. National Energy Administration, 1973.

16. Viet-Nam Power Company: 1973 Current Information, Saigon, May 1973.

17. Annual Report 1972. EGAT, Bangkok, May 1973

18. Market Survey for Nuclear Power in Developing Countries. 2 vols. (Vol. 1 - General Report, Vol. 2 - Thailand), International Atomic Energy Agency. Vienna, September 1973.

G. Lam Pao Irrigation Project

1. Feasibility Report, September 1961, ECI/RID.

2. Land Classification, 2 vols., ECI and Royal Irrigation Department (A.I.D. loan), April 1972.

H. Mathematical Model of Mekong Delta

1. Volume and Surface of Great Lake, 1964, UNESCO/SOGREAH.

2. Vol. I: Mekong Delta Monograph, May 1966, UNESCO/UNDP.

3. Vol. II: Preliminary Investigation, September 1964, UNESCO/UNDP.

4. Vol. III-1: 1963 Measurement Campaign, December 1964, UNESCO/UNDP.

5. Vol. III-2: 1964 Measurement Campaign, June 1965, UNESCO/UNDP.

6. Vol. III-3: Levelling Control in the Cambodian Delta, May 1965, UNESCO/UNDP.

7. Vol. III-4: 1965 Measurement Campaign, January 1966, UNESCO/UNDP.

/8.

8. Vol. IV-1: Upper Mekong Backwater Curves; November 1965, UNESCO/UNDP.

9. Vol. IV-2: Adjustment of Final Model, March 1966, UNESCO/UNDP.

10. Vol. IV-3: Operation of Final Model, March 1966, UNESCO/UNDP.

11. Vol. IV-4: Tide Model, May 1966, UNESCO/UNDP.

12. Comprehensive Report of the Different Determinations of the Great Lake Capacity, February 1966, UNESCO/SOGREAH.

13. Report About the Stage Records at Phnom Penh, Kompong Cham, and Chauphu, April 1965, UNESCO/SOGREAH.

14. Angladette Report (System Analysis).

15. Transfer, UNESCO/UNDP.

16. Mekong River Delta Model Study, 1969, UNESCO/UNDP Report 9.

17. Flood Prediction in the Cambodian Delta, UNESCO/SOGREAH, 1970.

I. Mun and Chi Basin Studies

1. Groundwater Exploration of the Khorat Plateau: Final Report DMJM, July 1961.

2. Record of Wells Dilled by DMJM & Groundwater Exploration & Development Project. DMR, Bangkok, 1964.

3. Survey of Water Resources, Mun & Chi River Basins, NE Thailand, U.S. Bureau of Reclamation for USAID, March 1965.

4. Report on Groundwater Resources Development of Northeastern Thailand, H.F. Hayworth, P.N. Chiangmai & C. Phiancharoen, Dept. of Mineral Resources Groundwater Bulletin No.2, 1966.

5. Preliminary Survey of the Nam Chi (Water Pollution), SED-Ministry of Public Health, Bangkok, December 1971.

6. Nam Chi Project Feasibility Report, USBR for USAID & RID, December 1971, Basic Report, VI Appendices, III Supplements.

7. Nam Yang Project Reconnaissance Report, USBR for USAID & RID, September 1969.

8. Nam Mun Project Feasibility Report, USBR for USAID & RID, February 1971. Basic Report, VI Appendices, III Supplements.

9. Socio-economic Factors in Farmer Response to Irrigation in Northeast Thailand, H.K. Kaufman/Rural Research, Inc. for USAID Bangkok, September 1971.

10. Soil Survey of Changwat Ubon Ratchathani, by Chaleo Changprai and Adul Chotimon, Report SSR-77, Bangkok, 1971, for Department of Land Development, USOM & FAO.

11. Lam Pra Plerng Land Classification Report, 2 vols., ECI & Royal Irrigation Department (A.I.D. loan), December 1971.

12. Topography, population & actual agricultural land use in the Northeast in relation to its present and future land capability, discussion paper for the DAGT Agricultural Working Group, W.J. van Liere & T. Kawai, October 1973.

13. Salt Resources of Thailand, L.S. Gardner, H.F. Hayworth & P.N. Chiangmai, Dept. of Mineral Resources Report No.11, 1967.

J. My Thuan Bridge

1. Mekong River Crossings, King and Gavaris/PERIL, May 1968.

2. My Thuan Bridge Project, WRD/MKG/INF/L. 307, Mekong Secretariat.

3. My Thuan Bridge Design Report, February 1966, Nippon Koei/ Pacific Cons.

4. Résumé on the My Thuan Bridge Project, May 1966, Nippon Koei.

5. Factors in the Choice of Clearances Under the My Thuan Bridge, August 1971, Mekong Secretariat Study Group.

6. Revised Draft Study of the My Thuan, Cantho, Cao Lanh & Vam Cong Ferry Systems, DMJM/Geo Control, September 1973.

K. Nam Chern Hydroelectric Power Project

1. Feasibility Report, September 1967, OTCA.

L. Nam Gam (Nam Pung) Project

1. Interim Report on Preliminary Studies, August 1962, OTCA.

2. Preliminary Studies on Comprehensive Development, Dec. 1962, OTCA.

/3.

3. Preliminary Designs, December 1962, OTCA
   a. Hydro-electric Project
   b. Irrigation Project.

4. Nam Kam Development Project in Thailand (Nam Pung), H. Kato, K. Iki & M. Matsui in Kyoto University's Water Resources Utilization in Southeast Asia, 1966.

M. Nam Mae Kok Project

1. Preliminary Report for a Multi-purpose Hydro-project at Nam Mae Kok, Salzgitter GMBH, December 1968.

2. Detailed Reconnaissance Soil Survey of the Northern Port of Chiang Rai Province, by J.J. Scholten and Wichai Boonyawat, Report SSR-86, Bangkok, 1971, for Soil Survey Division of Department of Land Development and FAO.

3. Nam Mae Kok-Nam Mae Ing Groundwater and Surface Water Development Report, Electro-Watt/Motor-Columbus, 1972.
   a. Main Report
   b. Appendix B (Agriculture)
   c. Appendix D (Storage Reservoirs)
   d. Appendix A (Surface and Groundwater Resources)
   e. Appendix C (Pilot Schemes)
   f. Appendix E (Basin Data).

4. Mae Kok Project: Fang Basin Pre-feasibility Report. Salzgitter Consult, GMBH, May 1973
   a. Summary Report
   b. Main Report
   c. Annex (Maps & Drawings)

5. A Report on Tribal Peoples in Chieng Rai Province North of the Mae Kok River, by L.M. Hanks, J.R. Hanks, L. Sharp, & R.B. Sharp. Dept. of Anthropology, Cornell University; Ithaca, N.Y. 1964.

N. Nam Hun Hydroelectric Power Project

1. Feasibility Report, with six Appendices, February 1971, Bureau of Reclamation for USAID and RID.

C. Nam Ngum Multi-purpose Tributary Project

1. Comprehensive Feasibility Report, December 1962, Nippon Koei
   a. Part I - Upper Nam Ngum Multi-purpose Dam Project
   b. Part II - Lower Nam Ngum Irrigation Project
   c. Part III - Feasibility Aspects of the Integrated Project.
2. Revised Nam Ngum Project Note, August 1963, Nippon Koei.
3. Feasibility Report Appendix, March 1964, Nippon Koei.
4. IBRD Desk Study, August 25, 1964.
5. Revised IBRD Desk Study, November 16, 1964.
6. EEI Evaluation Team Report on Nam Ngum Hydro-electric Power project in Laos, July 1965, EEI.
7. Nam Ngum Development Fund Agreement, 1966.
8. Contract for Thin Keo Bridge and Access Road Construction, Dec.1966
9. Contract for Transmission Lines, December 1966.
10. General Contract, 1968
    a. Vol. I - Instructions to Bidders, etc.
    b. Vol. II - Specifications
    c. Vol. III - Drawings (System Analysis)
    d. Vol. IV - Addenda and Correspondence.
11. Additional Transmission Facilities in Thailand to Receive Surplus Energy from Nam Ngum Project, February 1970, EGAT Report No. 844/1302.
12. Proposed Additional Generating Units, June 1970, Acres/IBRD.
13. Power Rates: Nam Ngum Project, Laos, by J. Karl Lee, RED - American/Bangkok, 15 August 1972.
14. Evaluation Study of Phase II, Nam Ngum Project, Laos by Mekong and Special Projects Div. - IBRD, Report No.175-LA, May 1973.
15. Proposals for Financing of Second Phase of Construction of Nam Ngum Hydropower Facilities, Laos. ADB, October 1973.
16. Project Review Report on Nam Ngum Hydropower Project Phase II in Laos, ADB, September 1973.

17. Preliminary Limnological Survey of Nam Ngum Reservoir, by Seijchi Kato, US Consultants, Inc, for USAID, 4 December 1973.

18. Hydraulic Turbine Runner Noise Caused by Karman Vortexes, by C. Brown & N. Nozawa. Niagara Falls, Ont., 1973.

P. Nam Phrom Hydroelectric Power Project

1. Feasibility Report, August 1967, OTCA.

Q. Nam Pong Multi-purpose Tributary Project (Ubol Ratana Dam and Nong Wai Irrigation)

1. Feasibility Report, with Appendices, March 1962, Rogers Intl.Corp.

2. Preliminary Report on Nong Wai Diversion Dam and Canal System, November 1963, ACE.

3. Pong Neeb (Ubolratana) Dam Drawings, 1963, Salzgitter
   a. Civil Engineering and Hydraulic Steel Structure
   b. Power Plant
   c. Transmission Lines
   d. Substations.

4. Irrigation Project (Nong Wai Dam), 1964, ACE
   a. Vol. I - Project Report
   b. Vol. II - Present Agricultural and Socio-Economic Conditions
   c. Vol. III - Proposed Agricultural and General Rural Development
   d. Vol. IV - Specifications and Tender Documents
   e. Vol. V - Project Drawings.

5. Engineering Report, 1963, Salzgitter
   a. Hydrology, Part II
   b. Geology, Part III
   c. Power House Electrical and Mechanical Design, Part III A
   d. Power House Civil Engineering Design, Part VI B
   e. Time Schedule and Cost Estimates, Part IX.

6. Study of Dam Types, June 1963, Salzgitter.

7. Contract Documents: Power House Cranes, January 1964, Salzgitter.

8. Human Dimensions of Mekong River Basin Development: A case study of the Nam Pong Project, by J. Ingersoll for AID, 1968.

9. Nong Wai Pioneer Project for Irrigated Agriculture, June 1971, AHT/ILACO for ADB.

10. Socio-economic Aspects of Fishery Operations in the Nam Pong Reservoir, 1970-71; Mekong Secretariat, May 1972.

11. Extensive Fish Production in Ubol Ratana Reservoir, Inland Fisheries Div., RTG Dept. of Fisheries, 1973.

R. Nong Khai/Vientiane Bridge

1. First Phase Report, December 1967, Nippon Koei.

2. Second Phase Report, November 1968, Nippon Koei (with Appendix).

3. " " " , Railway Investigations, July 1969, Nippon Koei.

4. Feasibility Report, September 1969, Nippon Koei
   a. Part I - Summary and Recommendations
   b. Part II - Engineering, Economic and Financial Studies
   c. Part III - Engineering and Economic Data.

5. Evaluation Study of the Nong Khai/Vientiane Bridge (Restricted), Asian Development Bank, October 1971.

S. Pa Mong Multi-purpose Mainstream Project

1. Report on Geological Reconnaissance of Pa Mong and Sambor Dam Site Areas, Snowy Mtns. Hydro-electric Authority, January 1960.

2. Geological Investigations by Snowy Mountains Hydro-electric Authority, 1960-63
   a. Vol. I - Geology
   b. Vol. II - Drill Holes.

3. Preliminary Study by USBR, 1962.

4. Mekong Pa Mong Survey (Phase I) - Interim Report, by USBR, June 1965.

5. Phase I Report, 1966, USBR
   a. Vol. 1 - General Report
   b. Vol. 2 - Appendix I: Agreements
   c. Vol. 3 - Appendix II: Land Resources, Appendix III: Drainage
   d. Vol. 4 - Appendix IV: Agriculture, Economics & Finance
   e. Vol. 5 - Appendix V: Hydrology and Meteorology.

6. Report on Flood Control Benefits - Pa Mong Project, by A. Matthai, Mekong Secretariat, 10 July 1969: Add.1., 19 September 1969.

7. Socio-economic Observation Study of Existing Irrigation Projects in Thailand, Rose Frutchey for USBR and USAID, April 1969.

8. Stage One Interim Report, 1969, USBR.

9. Stage One Feasibility Report, 1970, USBR
   a. Basic Feasibility Report
   b. Appendix I: Land Resources
   c. Appendix II: Drainage
   d. Appendix III: Hydrology and Climatology
   e. Appendix IV: Geology, Vol. I; Geology, Vol. II, Part 1; Geology, Vol. II, Part 2
   f. Appendix V: Plans and Estimates, Volumes I and II
   g. Appendix VI: Economic, Agricultural, Social and Financial Analysis
   h. Appendix VII: Corollary Studies.

10. Index of Supporting Data for Pa Mong, Mun, Chi and Yang Projects, 1971, USBR (Actual Material Indexed is at NEA and RID).

11. Stage One Optimization Study and Interest Rate Sensitivity Analysis, May 1971, USBR.

12. Operational Studies, Acres Intl. (Overseas) Ltd. for IBRD
   a. Interim Report, June 1970
   b. Supplemental Studies, January 1971.

13. Supplementary Studies, A Mekong Secretariat Note, August 1971.

14. The Islands of Pa Mong, 2 volumes, Engineer Agency for Resources Inventory/A.I.D. December 1971.

/15.

15. Social Factors in Reservoir Settlements, Relocation and Costing Factors Applied to the Pa Mong Dam Project, H.E. Voelkner for A.I.D., 1972 - with supplement on Pa Mong Reservoir Level Optimization, April 1972

16. Sponsorship and Acculturation of Rural to Urban Migrants; Some Insights to Aid Pa Mong Resettlement Planners. Thomas J. Miller, 1972 (SEADAG).

17. First Order Costs of Rural Resettlement: Ghana & Northeast Thailand, Bruce A. Ross, May 1972 (SEADAG).

18. Pa Mong Review - 1972, Sir Alexander Gibb & Assoc. for IBRD, September 1972.

19. A Preliminary Assessment of Pa Mong Project with the Reservoir Level of 230 m, by Sir Alexander Gibb for IBRD, September 1972.

20. Phase II Report, 1972, USBR

    a. Main Report

    b. Appendix I - Land Resources

    c. Appendix II - Drainage

    d. Appendix III - Hydrology & Climatology

    e. Appendix IV - Geology

    f. Appendix V - Plans & Estimates

    g. Appendix VI - Economic, Agricultural, Social and Financial Analysis.

21. Detailed Reconnaissance Soil Maps of Sakon Nakhon Province, Soil Survey Division of Department of Land Development and USOM, 1971.

22. Sponsorship & Acculturation of Rural to Urban Migrants: Some Insights to aid Pa Mong Resettlement Planners, Thomas J. Miller. SEADAG, NY. October 1973.

23. Transportation Development & Agricultural Marketing in Changwat Loei, Northeastern Thailand, Kui-on Lui. SEADAG, NY, 1973.

24. Pa Mong: Items of Work Prior to Implementation, Secretariat Note WRD/MKG/INF/L.553, January 1973.

25. Pa Mong: Schedule of Essential Studies Prior to Implementation, Secretariat Note MKG/R.1, March 1973.

26. Pa Mong: Interim Report on Optimization & Downstream Effects. Secretariat Note WRD/MKG/INF/L.568. March 1973.
